IMMUNIZATION REQUIREMENTS

The UC Immunization Policy requires Incoming Students to obtain the vaccinations and screening recommended for colleges and universities by the California Department of Public Health (CDPH) for those diseases that can be passed on to others by respiratory transmission. All Incoming Students must also complete an online screening questionnaire for tuberculosis (TB), based upon CDPH guidance. Incoming Students who are assessed as potentially at higher risk for TB infection, based on their responses to the screening questionnaire, will be required to undergo further evaluation and testing by their medical provider.

DUE NOVEMBER 1, 2018: All incoming UC students are REQUIRED to obtain these vaccines and undergo Tuberculosis risk screening.

REQUIRED VACCINATION

<table>
<thead>
<tr>
<th>Vaccination</th>
<th>Proof of Immunization</th>

Risk Screening Questionnaire for Tuberculosis
Log in to the Ashe portal and click on the “Forms” tab. Click on the link to the TB risk screening questionnaire and answer the questions.

All incoming students must answer the TB risk screening questionnaire on the Ashe portal found in the “Forms” section. Students who have any “yes” answers on the questionnaire are at higher risk for TB infection and should undergo either skin or blood testing for TB. Those with a previous positive TB test should get a chest x-ray.

HOW TO COMPLY WITH THE UC IMMUNIZATION REQUIREMENTS:

1. Submit your Statement of Intent to Register SIR/SLR.

2. Please allow 2 business days after submitting your SIR/SLR before attempting to access the Ashe Secure Portal.

3. Be prepared! Gather all of the information you’ll need to complete your requirements online. You WILL NOT be able to modify information once you submit the form so have your information ready before you go to STEP 7.

4. Go to the UCLA Immunization Requirements website and sign in to the Secure Patient Portal.

5. Once you are logged in, select FORMS from the options on the left side of the page.

6. Select the form: TB SCREENING and answer all of the questions. Yes answers require TB testing. Complete any required TB testing prior to Step 7.

7. Select the form IMMUNIZATION COMPLIANCE/HEALTH CLEARANCE and fill out the relevant dates for required immunizations.

8. Upload images or PDF files of your immunization records, laboratory tests and/or chest x-ray.

9. You can check your compliance status online by following step 3 and selecting IMMUNIZATIONS

Answers to most questions can be found on the UCLA Immunization Requirement website. For additional questions, visit the Contact Us portion of the website.

SAVE THE DATE: ZERO WEEK FALL IMMUNIZATION REQUIREMENT FAIRS

UCLA students can receive all of their required vaccines/ titers to meet the new UC requirements at The Ashe Center’s planned Immunization Requirement Fairs during the first week of the Fall 2018 quarter. No RSVP required.

Please note: All fees are listed on Immunization Requirement website.

IMMUNIZATION REQUIREMENT DEADLINE IS NOVEMBER 1, 2018
