

IMMUNIZATION REQUIREMENTS

The UC Immunization Policy requires Incoming Students to obtain the vaccinations and screening recommended for colleges and universities by the California Department of Public Health (CDPH) for those diseases that can be passed on to others by respiratory transmission.

DUE OCTOBER 1, 2020

All Incoming UC students are **REQUIRED** to:

- Obtain the Vaccines Listed Below
- Undergo Tuberculosis Risk Screening
- Upload Your Records to the Patient Portal

REQUIRED VACCINATION

PROOF OF IMMUNIZATION

Measles, Mumps and Rubella (MMR)

2 doses; **first dose on or after age one** -
OR - Titer (blood test) showing immunity.

Varicella (Chickenpox)

History of Chickenpox does not satisfy the requirement.

2 doses; **first dose on or after age one** -
OR - Titer (blood test) showing immunity.

Tetanus, Diphtheria and Pertussis

(Tdap) *Td does not satisfy the requirement.*

1 dose **on or after age 7.**

Meningococcal Conjugate Serogroups A, C, Y, & W-135

For students age 21 years and younger only.

1 dose **on or after age 16** for all students that are under 22 years of age.

Students 22 or older may leave blank.

Screening Questionnaire for Tuberculosis

Log in to the Ashe Patient Portal, click "Complete My Immunization Requirements." Click UPDATE next to TB screening and answer the questions.

All incoming students are required to complete the TB screening questionnaire on the Ashe Patient Portal. *Students who have any "yes" answers on the questionnaire are at higher risk for TB infection and are required to submit documentation of either skin or blood testing for TB, done within the 6-month period preceding entry into UCLA. Those with a previous positive TB test are required to submit documentation of a chest x-ray done within the 6-month period preceding their entry to UCLA.*

HOW TO COMPLY WITH THE UC IMMUNIZATION REQUIREMENTS:

1. Submit your Statement of Intent to Register - SIR/SLR.
2. Please allow 2 business days after submitting your SIR/SLR before attempting to access the Ashe Patient Portal.
3. Be prepared! Gather all of the info you'll need to complete your requirements online.
4. Go to the UCLA Immunization Requirements website and sign into the Patient Portal.
5. Once you are logged in, from Home page, click Complete My Immunization Requirement.
6. Enter all of the requested dates, immunization information, and submit TB screening.
7. Upload Images/ PDF files of your immunization records, laboratory tests, and/or chest x-ray by clicking on the green "Immunization Upload" button (first row).
8. You can check your compliance status from the Ashe Patient Portal by selecting Medical Clearances.

Answers to most questions can be found on the UCLA Immunization Requirement website. For additional questions, visit the Contact Us page on our website.
